As far as marketing channels go, pay-per-click (PPC) advertising is still an unbeatable juggernaut, especially with the diverse options now available to brands. There ...

The 6 Marketing Channels You Should Prioritize in 2020

Channel marketing involves finding new partners to help transfer goods from producers to consumers. Very few producers actually sell the goods they produce themselves, which are instead sold through an intermediary. Consider the cereal once again. There is no cereal store; producers rely on grocery stores to sell their products.
