Now in its second edition, *Connecting Social Problems and Popular Culture* goes beyond the news-grabbing headlines claiming that popular culture is public enemy number one to consider what really causes the social problems we are most concerned about. The sobering fact is that a "media made them do it" explanation fails to illuminate the roots of social problems like poverty, violence, and environmental degradation.

As Karen Sternheimer clearly demonstrates, popular

culture is an easy scapegoat for many of society's problems, but it is almost always the wrong answer.

Now in its second edition, Connecting Social Problems and Popular Culture goes beyond the news-grabbing

headlines claiming that popular culture is public

enemy number one to consider what really causes the social problems we are most concerned about.

~~Connecting Social Problems and Popular Culture: Why Media ...~~

"In Connecting Social Problems and Popular Culture, Karen Sternheimer delivers a necessary synthesis, with a devastating media analysis, in response to the prevalent cottage industry of exaggeration, myth, and invention about popular culture's impacts on youth behavior. And in layering a critique of society, class, and race over actual evidence she produces a work of great value to those working with or teaching about youth."

~~Amazon.com: Connecting Social Problems and Popular Culture ...~~

She argues that news coverage engages in misleading "media phobia"—blaming popular culture for entrenched social problems by fingering convenient scapegoats (e.g., movies, video games, rap music)...

Read Online Connecting Social Problems And Popular Culture Why Media Is Not The

Rather than viewing popular culture as “guilty” or “innocent,” the central theme running through Connecting Social Problems and Popular Culture is that various media and the popular culture they promote and produce are reflections of deeper structural conditions—such as poverty, racism, sexism, and homophobia—and economic disparities woven into major social institutions. While discussions of sexism in various forms of media, for instance, are often lively and provocative, the ...
