When Claire tries to move on with her life without him, trying not to drown with all the skeletons, her mother begins to give her the cold shoulder. Learning Not to Drown is told in Claire's point of view but the chapters' switches from now and then, so you have to keep up with the past.

Amazon.com: Customer reviews: Learning Not to Drown

Learning Not to Drown isn't about me, it is about the families, the friends, the lovers, the children. The ones left at home. The ones forever stuck. Stuck between believing the people we love and believing the victims. Stuck between hope and reality.
