Your Guide to the 10 Best of Everything in Seoul Discover the best of everything South Korea's capital city has to offer with the essential DK Eyewitness Top 10 Travel Guide Seoul. Top 10 lists showcase the best places to visit in Seoul, from Dongdaemun market to the grand royal palace of Gyeongbokgung. Seven easy-to-follow itineraries explore the city's most interesting areas - from the arty district of Insadong to Bukhansan National Park - while reviews of the best hotels, shops and restaurants in Seoul will help you plan your perfect trip.

When Karina Black hit it big in music, she didn't think it would mean giving up her name, her friends, her family, and the music that she loved. It was time for change and that's just what the sexy, sassy Native American was looking for when she decided to move back home to Hope Falls. What she wasn't looking for was love... When Ryan Perkins moved to Hope Falls, he knew that it would mean helping his granny run her café and maybe allowing himself the time to indulge in his love for music. Beyond that, the rugged, sculpted charmer didn't expect anything more than the simplicity that the quiet community offered. What he didn't know was that Hope Falls offered much more than simplicity... Will Karina really be able to give up her pop star life and fight for the music she wants while also opening her heart to the sweet melody of love? Will Ryan be able to live in Karina's not so simple world? Or will they both stop the noise around them and make Sweet Harmonies of their own together? **Author's Note: Each Hope Falls full-length novel can be read as a stand-alone**

“ Wonderfully, in Akashic ’ s Oakland Noir, the stereotypes about the city suffer the fate of your average noir character—they die brutally. ” —San Francisco Chronicle In the wake of San Francisco Noir, Los Angeles Noir, and Orange County Noir—all popular volumes in the Akashic Noir Series—comes the latest California installment, Oakland Noir. Masterfully curated by Jerry Thompson and Eddie Muller (the “ Czar of Noir ”), this volume will shock, titillate, provoke, and entertain. The diverse cast of talented contributors will not disappoint. Oakland Noir offers stories by Nick Petrulakis, Kim Addonizio, Keenan Norris, Keri Miki-Lani Schroeder, Katie Gilmartin, Dorothy Lazard, Harry Louis Williams II, Carolyn Alexander, Phil Canalin, Judy Juanita, Jamie DeWolf, Nayomi Munaweera, Mahmud Rahman, Tom McElravey, Joe Loya, and Eddie Muller. “ From the Oakland hills to the heart of downtown, each story brings Oakland to life. ” —San Jose Mercury News “ Oakland is a natural for the series, with its shadowy crimes and disgruntled cops. ” —Zoom Street Magazine “ San Francisco ’ s grittier next-door neighbor gets her day in the sun in 16 new stories in this tightly curated entry in Akashic ’ s Noir series. The hardscrabble streets of Oakland offer crime aplenty . . . Thompson and Muller have taken such pains to choose stories highlighting Oakland ’ s diversity and history that the result is a volume rich in local culture as well as crime. ” —Kirkus Reviews

In this inspiring memoir, the author of *Reviving Ophelia* explores her personal search for understanding, tranquility, and respect through her work as a psychologist and seeker. "There are three kinds of secrets," Pipher says. "Those we keep from everyone,

A story of drug and alcohol abuse and rehabilitation as it has never been told before. Recounted in visceral, kinetic prose, and crafted with a forthrightness that rejects piety, cynicism, and self-pity, it brings us face-to-face with a provocative new understanding of the nature of addiction and the meaning of recovery. By the time he entered a drug and alcohol treatment facility, James Frey had taken his addictions to near-deadly extremes. He had so thoroughly ravaged his body that the facility's doctors were shocked he was still alive. The ensuing torments of detoxification and withdrawal, and the never-ending urge to use chemicals, are captured with a vitality and directness that recalls the seminal eye-opening power of William Burroughs's *Junky*. But *A Million Little Pieces* refuses to fit any mold of drug literature. Inside the clinic, James is surrounded by patients as troubled as he is -- including a judge, a mobster, a one-time world-champion boxer, and a fragile former prostitute to whom he is not allowed to speak -- but their friendship and advice strikes James as stronger and truer than the clinic's droning dogma of *How to Recover*. James refuses to consider himself a victim of anything but his own bad decisions, and insists on accepting sole accountability for the person he has been and the person he may become--which runs directly counter to his counselors' recipes for recovery. James has to fight to find his own way to confront the consequences of the life he has lived so far, and to determine what future, if any, he holds. It is this fight, told with the charismatic energy and power of *One Flew over the Cuckoo's Nest*, that is at the heart of *A Million Little Pieces*: the fight between one young man's will and the ever-tempting chemical trip to oblivion, the fight to survive on his own terms, for reasons close to his own heart. *A Million Little Pieces* is an uncommonly genuine account of a life destroyed and a life reconstructed. It is also the introduction of a bold and

talented literary voice.

Hakeem has a hard time adjusting when, due to his father's sickness, Hakeem and his family must move in with his uncle in distant Detroit, especially when he has to share his room with his moody cousin Savon.

Calling all cat lovers! Our newest original Mad Libs features 21 silly stories all about our furry feline friends! At only \$3.99, you can buy one for yourself and all 27 of your cats!

For Sabrina and Daphne Grimm, the latest in a long line of fairytale detectives, there is one mystery they want to solve more than any other. Who kidnapped their parents over a year ago? Sabrina enters the hideout of the Scarlet Hand, the sinister group of Everafters who are keeping her parents prisoner. She has a chance to rescue her mum and dad but is foiled by the most famous fairytale character in the world. How can a human child defeat a magic one? With the help of her little sister (who might be tougher than Sabrina realises) and a long-lost relative, Sabrina finds a powerful weapon for fighting her enemies, and discovers that magic has a high price.
