Trade marketing, to put it simply, is a B2B marketing strategy aimed at getting a product onto store shelves. This is done by making other businesses recognize the value of your product, and convincing them that helping you sell your product will ultimately help them make money too.

Trade Marketing: The Ultimate Guide [Example Strategies]  
Trade marketing is a form of B2B marketing. It's the art of marketing products specifically to businesses (as opposed to consumers). Normally, the main objective of a trade marketing campaign is to sell products to other companies who can then go on to sell those items to their customers. Who uses trade marketing and why?
