FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

Kidnapped when she was a child, Susan Smith was forced into a life of prostitution as a teenager. For years, she endures unspeakable acts, eventually coming to believe that the only way out is through taking her own life. But God has another plan for her. Phil Johnson lived a charmed life. He married his childhood sweetheart Beth and had two rambunctious, loving boys. While on vacation in California, Phil accidentally recorded two lawmen committing a crime, and suddenly his family becomes a target. A terrible car crash claims the lives of Phil's wife and children, and he barely survives. Phil, overcome with grief and fear, walks and runs until he finds a hotel in the middle of the night. When Susan and Phil meet at the hotel, Susan agrees to help him. Phil knows that the only way justice will be done is to recover the camcorder and take a DVD to the FBI. The two embark on a journey full of danger, one that tests the limits of faith and friendship. Susan discovers the awesome power of God's grace, while Phil realizes healing from his loss can only come through God's love. But Phil and Susan soon learn that the past cannot be forgotten so easily.

Features lists that cover a broad range of subjects including bizarre births, weird jobs, crazy diets, strange phobias, historical oddities, religious scandals, ridiculous criminal acts, and weird superstitions.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

From award-winning TV comedy writer Kari Lizer (*The New Adventures of Old Christine*) comes a collection of hilarious essays about the challenges of being a woman of a certain age and all that comes with it: empty nest, post #MeToo dating, aging parents, menopausal rage, unrealistic expectations, and eternal optimism. What does it feel like to have your kids leave the house at the same time your parents might need to move in? With self-deprecating humor, sharp wit, and Ephron-esque aplomb, Kari Lizer gives an honest account of finding herself in the middle of growing up, growing old, and still figuring it all out. She finds the wry, bittersweet humor in (almost) all situations--whether it's becoming radioactive during a thyroid cancer treatment, getting fired from her volunteer work, or struggling to find her identity outside of motherhood. *Aren't You Forgetting Someone?* speaks to those of us who lament the invisibility of the middle-aged woman, but also revel in the unexpected delights of newfound freedom to do whatever the hell we want while no one is looking.

Late one winter afternoon in the small town of Chosen, New York, professor George Clare knocks on his neighbor's door with terrible news: he returned from work to find his wife, Catherine, murdered in their bed. Someone took an ax to her head while their three-year-old daughter, Franny, played alone in her room across the hall. Recent transplants to Chosen, the Clares have not received the warmest welcome; once a thriving dairy farm, their home is haunted by the tragedy that left the former owner's three sons orphaned and adrift. As one dark secret peels away to reveal others--and as the Clare marriage reveals itself to have a sinister darkness that rivals the farm's history--Elizabeth Brundage offers a rich and complex portrait of the scars that can haunt a community for generations and the dark longings inside each and every one of us that drive us to do inexplicable things.

"Marketing has entered a new era of rapid advance. Those unwilling to experiment with new combinations of traditional and internet marketing will be left behind." --Chris Trimble, Adjunct Associate Professor of Business Administration, Tuck School of Business at Dartmouth and Coauthor, *Ten Rules for Strategic Innovators: From Idea to Execution* "It's no secret that business has been changing dramatically over the last decade. To succeed in this rapidly changing environment, businesses must adapt their marketing strategies accordingly--The New Language of Marketing 2.0 provides practical, proven, and prescient tools to do exactly that." --Dr. Steve Moxey, Research Fellow, High-Tech Marketing, Manchester Business School "Most U.S. marketers mistakenly think 'going global' is just a matter of translating your promotional materials into different languages and widening your media buys. Packed with real-life examples, this new book amply demonstrates that successful global marketing is actually all about local marketing. Learn how to give a local spin within each regional marketplace for global success." --Anne Holland, Founder, MarketingSherpa Inc Use ANGELS and Web 2.0 Marketing to Drive Powerful, Quantifiable Results For every marketer, strategist, executive, and entrepreneur Today, marketers have an array of radically new Web 2.0-based techniques at their disposal: viral marketing, social networking, virtual worlds, widgets, Web communities, blogs, podcasts, and next-generation search, to name just a few. Now, leading IBM marketing innovator Sandy Carter introduces ANGELS, a start-to-finish framework for choosing the right Web 2.0 marketing tools--and using them to maximize revenue and profitability. Carter demonstrates winning Web 2.0 marketing at work through 54 brand-new case studies: organizations ranging from Staples to Harley Davidson, Coca-Cola to Mentos, Motel to IBM itself. You'll discover powerful new ways to market brands and products in both B2B and B2C markets...integrate Web 2.0, experiential, and conventional marketing...maximize synergies between global and local marketing...gain more value from influencers, and more. Includes information, case studies, and working examples for next generation marketing strategies such as: • Social networks with virtual environments; including Second Life • Online communities including Facebook • Viral Marketing and eNurturing • Serious Gaming • Widgets • Wikis • Blogging, including Twitter • RSS • Podcasting • Videocasting Whether you're a marketing professional, Web specialist, strategist, executive, or entrepreneur, this book will help you drive immense, quantifiable value from Web 2.0 technologies--now, and for years to come. Sandy Carter's breakthrough ANGELS approach, a step-by-step framework for success: Analyze and ensure strong market understanding Nail the relevant strategy and story Go to Market Plan Energize the channel and community Leads and revenue Scream!!! Don't forget the Technology! BONUS Content Available Online: Additional chapters, case studies, examples, and resources are available on the book companion site, [impressbooks.com/angels](http://impressbooks.com/angels).

Popular Mechanics inspires, instructs and influences readers to help them master the modern world.
