BMW motorsport boss Jens Marquardt says discussions are ongoing with IMSA about how to make the WeatherTech SportsCar Championship's GT Le Mans class more 'attractive' following Porsche's exit.

IMSA news: BMW wants larger GTLM field to commit for 2021

He shared with the public the crazy, world's only Ferrari engine BMW M3, which dismantled the V8 engine owned by the BMW M3 and replaced it with a Ferrari engine. BMW built the engine of the E92 M3 into a V8 in 2007. Although this was not liked by some consumers and technical critics, many people were quite satisfied with this engine option. Because the E92 M3 with V8 engine had a magnificent sound.
